Belle Glade, Palm Beach County, Florida,

Friday, April 20, 1956

Price \$3.00 a Year—10c a Copy

Spiritual guidance and enlightenment are essential to the wellbeing and survival of any nation or community. Attend the church of your choice next Sunday.

In the heart of the lush Florida Everglades, a new fresh winter vegetables for the whole nation can be produced. Investigate our possibilities.

Glades Farmers To Welcome Scribes

With Complete Home-Grown Luncheon

"It is our plan," says Chairman Bob Lanier, "to have a Glades farmer sitting right alongside each visiting editor, so that our visitors may fortify their visit to the Glades with information right from the horses' mouth."

A committee will make a list of Glades farmers from Canal Point to Clewiston to be invited to attend the dinner, so that the visiting National Association of Agricultural Editors can rub elbows with the actual dirt farmer.

When Paul Rardin offered the committee the County Barn in which to hold the dinner, it was decided to accept because of the possibility of inclement weather, which might cause a crowded condition at the country club with 150 persons.

The menu will include Glades roast beef, sweet corn, beans, a tossed salad, radishes, celery and corn bread, topped off with either rhubarb pie or a rice pudding.

Herman Close, and Alys Okie, a food committee have not completed all details of the feeding, but will announce that shortly.

The presidents of the three local Garden Clubs, Mrs. Abbie Zumpf, Mrs. Bert Hopson and Mrs. Dick LeFalls will have charge of the decorations.

George Wedgworth is property man and will be assisted by a committee to be selected. Bill Graber and Prof. Speer will handle the exhibit committee which proposes to display Glades agricultural products at the Geo. Washington Hotel on Thursday afternoon and night.

The Resources Development Board is handling the entertainment of the visitors in the County, with Luther Jones as general chairman.

Lamar Allen and Ralph Blank with a committee are handling the east coast part of the affair which includes a hospitality hour at the George Washington Hotel on Thursday afternoon by the Florida Fruit and Vegetable Committee and a banquet at night by the Olin-Mathiesen Chemical Co.

County Agent M. U. Mounts and his staff will be on hand to answer questions about Palm Beach County's agricultural industry and officials of the Central and Southern Florida irrigation organization will discuss the writers thru the Twenty-Mile Bend pump installation.

From there the Glades will

St. Peter's Merchants

In Clewiston April 25th

Plans are complete for the merchandising and advertising clinic which will be conducted for small business operators and salesmen of the "Glades" area at the Clewiston Inn next Wednesday, April 25th.

Instructors will be three men from the University of Florida's colleges of business and journalism. Sponsoring the clinic are the newspapers of the County, with Chambers of Commerce and other civic groups cooperating.

The instructors will be Lowell C. Yoder, associate professor of business organization and operation, Manning D. Seil, associate professor of Journalism, and John Paul Jones, associate professor of journalism and also secretary of the Florida Press Association.

Beginning at two o'clock on the afternoon of the 25th, the three men will discuss men's changing from the standpoint of the small retailer in the small town. Using blackboard illustrations, as well as slides and film, the explanations will cover such items as "methods of buying, display, of merchandise, store lighting, problems of retailing, how to plan an advertisement, how to get the most value from an advertising program, and salesmanship."

There will be a short recess before the Dutch Treat dinner after which a panel discussion on questions which will be developed by the means themselves will close the clinic program.

There will be no charge for the clinic. The Dutch treat dinner will be \$1.75 per person, for which reservations will be appreciated, and may be made through the Chamber of Commerce.

C. R. Pentz Named

Legion Commander

C. R. Pentz was elected commander of Everglades American Legion Post 20 Tuesday night at the annual election of officers.

Pentz, who served two and one-half years with the Marine Corps in the Pacific Theatre during WWII, has been a member of the American Legion for 10 years; four years at Post 20.

He has previously served as Adjutant for two years and 1st vice commander one year in addition to serving on the house committee for three years.

A resident of Belle Glade for four years, Pentz was recently named manager of Redwing supermarket in Clewiston.

Officers will be installed June 2 at a joint installation with the Legion Auxiliary which elects officers April 23.

Other officers elected were Dick Kichlighter, 1st vice commander; Walter McCarthy, 2nd vice commander; and Jewell Bass, 3rd vice commander.

Elected historian was Dick Harvey; Finance officer, J. B. Jones; Chaplain, Jack Ramsey; Sgt.-at-arms, Lee Rhymen; Sgt.-at-arms, Bill Tice.

Jesse Motte was named to serve a three year term on the board of directors and Louis Kirchman was named to the two year post on the board. Both are also members of the executive committee.

Gene Huebner was named to the executive committee for a two year term.

The honorary post of chef-de-barbecue went to E. C. Mapp. The post was created Tuesday night in special tribute to Mapp, who is known as the champion barbecue sauce chef of the Glades.

Lowry Visits City

On Stumping Tour

Sumter Lowry, gubernatorial candidate on the Democratic ticket, stopped in Belle Glade last Friday on his tour of the Lake Okechobee area.

After an hour of handshaking and passing out literature, he boarded the South Bay to appear near Willits' store.

Accompanying Lowry was DeWitt Upthegrove, Supervisor of Registration, Palm Beach County, and Supervisor C. Klime, Lowry's campaign manager, and a host of state and county supporters all traveling by motorcade.

Lowry told The Herald: "I'm down here to tell the people to this danger of integration and impress on them the fact that it can be prevented."

When asked how he felt that integration, his object of resistance, would be used to state, "It's the way to stop it."

Concerning other matters of state and so-called campaign issues, Lowry was non-committal, stating that he had sent literature to the newspapers about them.

He reiterated that the integration was necessary to "keep the state from being destroyed."

About new industry in the state, Lowry said, "I've started more industry than all the other lawyers put together."

He stated that other matters pertaining to the governor's seat would be given serious consideration when he was elected.

Smoke From Glades

Covers East Coast

Muck fires and grass fires continue to plague the fire fighters of the Everglades Fire Control District this week according to Chief Guy Bender.

The east coast is covered with smoke from Palm Beach to Miami with visibility cut to less than two miles at Miami area.

Bender said one huge fire 15-20 miles south of South Bay caused a T-27 to be closed near four hours Monday evening a tier 3 p.m. Green fern was smoldering "without flame and caused smoke so dense that driving was extremely hazardous."

The fire was close to 10 miles south of South Bay to Andover at the intersection of US 27 with SR 84. The fire was started by a lightning bolt.

(Continued on Page Three)

Spring Concert By BGHS

Band Sunday At 3:30 PM

The Belle Glade High School Band under John Munroe, band master, will present a Spring Concert at the high school auditorium Sunday, April 22, at 3:30 p.m.

It will be a light concert of popular and novelty numbers and also special numbers.

Tickets are 50 cents and those who have not bought tickets are asked to contact band members or students. The money raised from the concert will be used for band transportation and entry fee to state contest to be held in St. Petersburg, May 3-4-5.

Political Rally

Set For April 27

A political rally will be staged at the Belle Glade High School auditorium Friday, April 27, sponsored by the Belle Glade Junior Chamber of Commerce.

The Jaycees urged the public to attend the rally to hear candidates who are seeking county and district posts in the May 8 Democratic primary.

There will be no admission charge for the event and the public will have an opportunity to hear each candidate speak.

Each candidate for county-wide office and candidates for the district 8 contest and justice of the peace will be given three to five minutes to address the audience.

Robert Mathews, Jaycees chairman of the rally, said the week that 35-40 candidates were contacted by telephone and letter to notify them of the intended rally.

Migrant Health Conference Held In

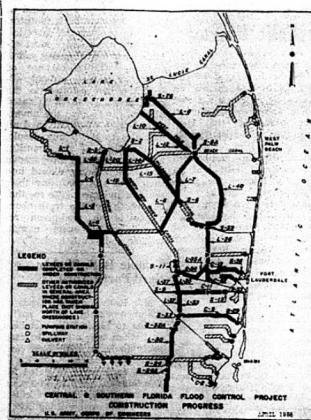

County Includes Glades Bus Tour

Over 60 representatives of at least ten Atlantic seaboard states met April 18-19 in West Palm Beach for the purpose of studying migrant labor health problems.

Theme of the conference sessions was "How to fit health services to behavior and work patterns of migrants."

The party also included a bus tour of the Everglades in this area.

Palm Beach county was chosen as site of the conference due to the fact that the problems of migrant health are more acute here than in any other county west of the

CONSTRUCTION PROGRESS of the Central and Southern Florida Flood Control Project is shown on accompanying map. The solid symbols are works completed or under construction, while the shaded symbols represent work authorized but not yet under construction. To date, construction has been concentrated south and southeast of Lake Okechobee. During the past year six levees and a canal were completed and turned over to the Central and Southern Flood Control District for operation and maintenance.

Agricultural Area Benefited

By Construction Progress Of

Overall Flood Control Project

The Central and Southern Flood Control Project, on which construction began in 1950, is about 13 per cent completed, according to reports from the Corps of Engineers, in charge of design and construction. Since its inception, 210 miles of levees have been completed to intermediate or final grades and accepted for operation and maintenance by the Central and Southern Florida Flood Control District.

To date, construction has been concentrated south and southeast of Lake Okechobee and in the lower east coast region. Many features of the project have been completed and a number of important items, including four pumping stations, are under way.

During the past year, six levees and a canal were completed and turned over to the Flood Control District for operation. Planning for remaining areas of the project is actively in progress in the Jacksonville District Office of the Army Engineers. Planning efforts are being concentrated in the Kissimmee and upper St. Johns River basins.

(Continued on Page Six)

Produce Supplies

Mostly Moderate

Supplies of celery were liberal this week, corn was heavy and cabbage, radishes, eggplant, endive, iceberg and Boston lettuce, and field peas were moderate.

Listed as light by Fred Tuttle, manager Market News Service here, were beans, lima beans, Chinese cabbage, parsley, peppers, potatoes and radishes. Beans were hurt with dry weather probably more than any other commodity.

Demand and Prices were as follows:

Commodity	Demand	Price
Beans <td>mod.</td> <td>mod.</td>	mod.	mod.
Lima beans <td>mod.</td> <td>mod.-hi</td>	mod.	mod.-hi
Cabbage <td>mod.</td> <td>low</td>	mod.	low
Celery <td>low</td> <td>low</td>	low	low
Ch'n's c'bb'g <td>light</td> <td>high</td>	light	high
Corn <td>fair</td> <td>low</td>	fair	low
Endive <td>fair</td> <td>low</td>	fair	low
Escarot <td>fair</td> <td>low</td>	fair	low
Romaine <td>fair</td> <td>low</td>	fair	low
Iceberg lettuce <td>light</td> <td>low</td>	light	low
Boston lettuce <td>mod.-lo</td> <td>mod.</td>	mod.-lo	mod.
Parsley <td>light</td> <td>mod.-hi</td>	light	mod.-hi
Field peas <td>fair</td> <td>mod.-lo</td>	fair	mod.-lo
Peppers <td>light</td> <td>mod.</td>	light	mod.
Peas <td>mod.</td> <td>mod.-hi</td>	mod.	mod.-hi
Radishes <td>good</td> <td>high</td>	good	high

R. E. Hotard, Commercial (Continued on Page Eight)

Watch The Fires!

A plane ride Thursday morning at 2,500 to 4,000 feet elevation east and south of Lake Okechobee disclosed that almost the entire agricultural area is surrounded by fires in various stages of progress.

In numerous places farmers' tractors were busy establishing fire guards and discing where fire has already begun.

In many places the brush and grass has burned only but in several the muck is afire and will be stopped only by water.

Conservation area No. 2 has fire on Road No. 27 to the Hillsboro, and it has jumped to the east and into Shawnee drainage District No. 2.

South of the West Palm Beach Canal and north of State Road No. 80 and US 441 there is a fire that could come west almost to Belle Glade.

South of Lake Harbor a fire is burning fiercely a fire travelling towards the Clay ranch and the Miami Canal. It's criminal to start or allow a fire to be started, and until it rains everyone should keep a sharp eye for any small fire.

Muck fires may cause more damage than any forest fire, for when the soil is gone — well, it's GONE!

Rams Continue Losing

Streak In Baseball

The Belle Glade High School baseball squad continued their not-so-happy season last week and this week with three more defeats from Clewiston, Lake Worth and Ft. Pierce.

The Rams face Pompano here this afternoon and Stuart there next Tuesday.

On Apr. 15, Ft. Pierce posted the local club 16-5, Apr. 13 Lake Worth handed them a 15-5 loss and Clewiston whipped the local diamond squad 10-2 Apr. 18 after a rainout of the game originally scheduled for Tuesday.

The Rams now have 10 losses and no victories.

Lease Will

Cease Campaign

Earl A. (Spider) Lindrose announced Thursday that he was withdrawing from the race for county commissioner in district five. He stated that he was not withdrawing in favor of any other candidate.

Lindrose filed for candidacy just 20 minutes before deadline of noon, Mar. 20.

"It has been my sole decision to drop out," he said, "for the simple reason that my organization which was contemplated did not materialize."

Lindrose was opposed by incumbent Paul Rardin of Canal Point and Randolph Livingston of Belle Glade.

He stated that he had been contemplating the move for about two weeks.

"I would like to take this opportunity to thank my many supporters in Palm Beach County," he said.

Lindrose informed Alis Affrè, clerk of the Circuit Court, of his decision on Thursday afternoon.

Bates Will Speak To

Pahokee Rotarians

Louis T. Bates, vice president of Gulf Life Ins. Co., Jacksonville, will speak at the regular meeting of the Pahokee Rotary Club, 24 at a dinner beginning at 7:30.

Bascom Belcher, Rotary president, said the meeting will be held at the Elks Club ballroom in Pahokee.

Mrs. Riedel gives an interesting talk on the grafting of hibiscus at the regular meeting of the Chosen Garden Club Tuesday afternoon at the home of Mrs. Calvin Neuschwander.

Announcement was made of the luncheon and installation of officers which will be held at the Edgewater Inn.

A committee was appointed to help decorate at the Junior Chamber of Commerce luncheon April 27. Composing the committee are Paul Kirchman, Mrs. Madeline Corbin and Mrs. Lloyd Bass.

Muck fires may cause more damage than any forest fire, for when the soil is gone — well, it's GONE!

Commission Mulls

Water Policy Knot

The city commission met in unofficial session Wednesday night to iron out snags in the water department policy toward supplying water to subdivisions and sections outside the city.

The city manager, city attorney and water supervisor were present along with a number of interested parties.

City Manager Clarence Robinson said no official action could be taken; however, the council reached a tentative agreement to install water lines in Lyons park subdivision at the city's expense.

Thurmond Knight, developer of the area between Ave. D and Ave. L east of Main St., plans to build 30 homes in the area, six other lots have been sold.

Robinson said there was a mutual agreement between Knight and the city that Knight would pay for streets in the area.

Irene Park, another snag in the previous council meeting, was not discussed directly.

The council asked the city engineer to prepare a plan to up a tentative list of future regulations within the next three to four weeks and Robinson said the city probably had a complete revision of water department policy.

Policy for supplying water to areas outside the city will also be included in the new revision. Robinson said one big problem facing the city was the fact that there were no regulations governing the size of water which could be used in an area. He stated that under the new code future lines would be adequate for a number of years, not just one or two years before it has to be replaced.

Official action may be taken at the Apr. 25 city commission meeting.

J. Millette Rites

Held Tuesday A. M.

Funeral services for Julius Millette, 78, Choctaw, who died Friday at Belle Glade Memorial Hospital after a lingering illness, were held Tuesday at the Wetherington Chapel in Belle Glade at 10 a. m. Mrs. Estelle Wooten of the New Testament Church of God officiated.

Millette a native of Riga Latvia, came to Palm City, Fla. from Meridian, Miss., and has been a resident of Choctaw for 21 years. He worked with his nephew, Fritz Stein, who is in the cattle and farming business.

Others survivors include a sister, Mrs. Mary Millette, and well-known speaker in the Glades, will address the ladies night meeting of the Pahokee Rotary Club, 24 at a dinner beginning at 7:30.

Bascom Belcher, Rotary president, said the meeting will be held at the Elks Club ballroom in Pahokee.

Brownie Troop No. 132 Visits Primitive

Campsite Of Visiting Senior Girl Scouts

WITH THEIR LEADER, Mrs. Richard Hodges, these third grade Brownies, left to right, Linda Sloan, Patricia Hodges, Terry Beller, Sharon Amodeo, Alice Rashley and Beth Livingston visit primitive camp to see what the future holds for them.

Last week end eight senior Girl Scouts, four from West Palm Beach and four from Ft. Lauderdale had a primitive campsite for two days near Slims' Fish Camp on the lake.

They were accompanied by their leader and assistant leader, Mrs. Joyce Dix, Mrs. Pat Feeblin, and Miss Fay Ledbetter of West Palm Beach.

The girls are holding the campouts in order to be eligible for the National Encampment which will be held in Michigan this summer, where there will be 4 to 5,000 girl scouts.

In order to get out some thing of this area they visited several packing houses, and saw corn harvested, and also took an air boat ride.

South Bay Diamond Ready For Play

HOME PLATE gets the finishing touches at the South Bay baseball field before play begins tonight. Clay from Lake Placid was hauled to the local field where workers dumped shell rock and the clay on the field to put it in top notch condition. Superintending are Palmer Morris (D) and Clayton Waters (L). The working youngsters, all ball players, are (R-L) Roger Walker, David Willets and Daniel Shannon.

Good hard work and a great deal of co-operation each contributed to making the South Bay baseball field one of the best in the area when Pony and Little Leaguers begin their 38 game season at South Bay and Belle Glade tonight.

The ball field, a South Bay Lions Club project, was revamped this season with about 850 yards of shell rock base and 150 yards of clay.

Trucks were loaded to haul the rock from the canal deposit area and the clay from the Reynolds and Smith Construction Co., which is digging the

New River Canal through South Bay donated the shell rock. The clay was donated by the Reynolds and Smith Construction Co. which is digging the

field. The field will be worked each Tuesday and Friday night when Little Leaguers and Pony League players jump over the field.

Bamboo Trees Burn Near Country Club In Saturday Blaze

A small fire on secondary 717 (Country Club Road) was started between two and thirty Saturday morning when man-made caused caused a fire in a group of roadside bamboo trees there.

Quick action by the Everglades Fire Control District extinguished the blaze in the trees and by mid-morning Saturday the mud fire below was stopped.

Guy Bender, Chief of the Fire District, said the fire was probably started when a lighted cigarette was thrown from a passing car on S 717.

Bender pointed out the extreme danger of such an act and emphasized that state law

prohibits starting a fire on the mud without his express permission.

Infant Daughter Of R. W. Jenkins Died At Clewiston Apr. 15

Graveside rites for three-month-old Brenda Sue Jenkins, daughter of Mr. and Mrs. R. W. Jenkins, Moore Haven, were held Monday at 3 p. m. at Port Mayaca cemetery.

The infant was born Jan. 7 in Everglades Memorial Hospital, Pahokee. Cause of death was due to complications arising from heart and respiratory ailments according to officials at Clewiston hospital where the baby was taken Saturday before she died Sunday morning.

Surviving in the immediate

family are the mother and father, former residents of Belle Glade, and three children, Dale S. Rose Wellms, Jr., 3 and Nathan, 2.

Funeral arrangements were in charge of Fitch Funeral Home in Clewiston and Wetherington Funeral Home in Pahokee.

BOYS AND GIRLS IN THE SERVICE

Lt. Jack W. Gecker, who has been visiting his parents for a few days at 216 N. W. 12th Drive has been assigned to Craig AFB, Selma, Alabama and reported there on April 11. He will be there for 14 weeks in the 3615th flying training group.

On completion of his 14 weeks training he will return to Laredo, Texas, Air Force Base at a flight instructor. He graduated from jet flight training March 9 at Laredo, Texas.

Barking Sands, Kauai, T. H. — "Operation Maika," first full-scale assault by Marines of the 1st Provisional Marine Air-Ground Task Force, was marked with landings on this Hawaiian island from sea and air shortly after dawn this morning.

Participating in the exercise

with the 3rd Battalion, 4th Marine Regiment is Pfc. John T. Glisson, son of Mr. and Mrs. Ervin Glisson of 101 S. W. Avenue, Belle Glade, Fla.

Hitting the beach by amphibious craft or helicopter were the 4th Marines, ground component of the Task Force. They met immediate resistance from Marine "enemy" forces, the 1st Amphibious Reconnaissance Co., Fleet Marine Force.

Simulated naval gunfire, close air support and atomic bomb simulators are adding realism, as are sudden changes of situation injected by control groups.

Marine Aircraft Group 13, the Task Force's air arm, is supporting the nearly 8,000 Marines throughout the exercise with close air support, aerial transport of personnel and supplies, and fighter cover.

Joining in this test of the newest concepts of amphibious warfare in the atomic age are the nearly 20 ships and 5,000 personnel of the Navy's Amphibious Squadron 1. The exercise will end within three days, to be followed by liberty on this Garden Isle.

The Task Force is based at the U. S. Marine Corps Air Station, Kaneohe Bay, Hawaii.

Pfc. Jimmy Binkley, visiting his parents, Mr. and Mrs. J. A. Binkley here on a 11 day furlough, left Wednesday to report to Camp Pendleton, Calif., where he will attend training school before leaving on May 19 for overseas duty in Japan.

Binkley joined the US Marine Corp for a four year period in July 1955, after graduating from the high school. He received basic training at Parris Island, S. C. for three months and was transferred to Camp Pendleton, N. C. where he was in combat training. He stated that he would be in Japan 18 months and liked the Marine Corp fine.

Fort Knox, Ky. — Pvt. William R. DeLozier, 20, son of Mrs. Elizabeth L. DeLozier, Clewiston, Fla., is scheduled to leave the U. S. for Germany next month as part of Operation Gyrocopter, the Army's rotation plan.

DeLozier's unit, the 3rd Armored Division, now stationed at Fort Knox, Ky., will replace the 4th Infantry Division in Europe.

DeLozier, a radio operator in the division's Headquarters Company, entered the Army in

July 1955 and received basic training at Fort Knox.

He is a 1954 graduate of Seaside Vocational High School in Baltimore.

JC's Will Attend State Convention

Three local Junior Chamber of Commerce members will attend the state convention of Jaycees at the George Washington hotel in Jacksonville Apr. 19-22. LeBron Williams, Jaycee president, Bobby Newman and Fred Farmer are slated to attend representing the local club.

Williams also announced that next Thursday will be "Ladies Night" and the Jaycee-Ladies will attend a potluck supper at the country club.

In other business matters at the Apr. 12 meeting Barnes Smith presented a report of the Harvest Quest contest and the club members voiced their satisfaction for a successful event.

A request from Dorothy Irvin, Belle Glade aviator, for the Jaycees to sponsor a plane in the Powder Puff Derby was voted down by funds are not available.

The city council referred action to the Jaycees when Miss Irvin's letter was presented at the Apr. 11 meeting since she sought the use of funds set aside for the Jaycees.

Action was taken toward planning the political rally. Details appear elsewhere in this issue.

Day Haul Program System Improved

Glades bean growers are benefiting greatly from a new service inaugurated by the Florida State Employment Service in Belle Glade.

The system, first of its kind in the state, according to Lee L. Smith, manager, will be used extensively throughout the state if it proves successful here.

Crews of bean harvest workers on day haul from the east coast are presently being referred only when a small sign containing name of the grower is posted to the windshield of the farm bus or truck.

A farm labor station has been set up at Twenty Mile Bend from where actual referral of

GRAND MARCH at the junior-senior prom held at Belle Glade High School auditorium Apr. 13 from 9 to 12 p. m. Over 100 future citizens donned fashionable evening clothes to trip the light fantastic. Theme of the ball was "An Oriental Garden." Lee James and Frances Sloan led the march. Music for the evening was furnished by "The Rhythmic Ropes" of West Palm Beach. The evening was climaxed by a free movie at the Hugo Theater and free breakfast served by the Rotary Club at the country club.

bean crews will be made. The station, under the supervision of J. W. Mosley, will operate from 6:30 a. m. until 9 a. m.

Contact with the station will be made by the local office about 8:15 each morning so that emergency orders or cancellations can be transmitted to the Farm Labor men at the referral point.

Crews previously committed to certain growers will not be interfered with, but crews committed to no particular grower will be assigned at that point.

Growers are urged to submit orders for minimum crews so that over-employment at bean fields will not result in waste of valuable labor. Although no favoritism will be shown in the allocation of bean crews, Mr. Smith stated that preference will be given to growers submitting orders by 2 p. m. on the day prior to actual need.

"Growers are further urged to telephone the office at Wyman 6-2087 whenever a job is completed or the grower has too many workers." "More often than not," he said, "surplus workers can be temporarily assigned to some other grower desperately in need of bean harvest hands. Such a procedure will keep the workers coming to the Glades to do the work."

Smith observed that the grower's name posted to the windshield of the farm vehicle is expected to be a deterrent to crew "piracy." All crew leaders have been cautioned to keep faith with the growers to whom they are assigned and have been asked to report any attempt at "piracy."

SRD Budget Talks Begin April 23

Wilbur E. Jones, road board chairman and member from the fourth district, which includes Palm Beach county, announced today that public hearings on the 1956-1957 budget will be held Apr. 23 at the department of Public Works, State Office.

The SRD will receive this county's request for road and bridge construction for the year beginning July, 1956.

Projects in the county's primary budget include rebuilding Brown's Farm Road, resurfacing SR 80 between South Bay and Belle Glade and the new intersection of SR 80 and SR 23 (US 27) at South Bay.

In district five the proposed budget for secondary highways includes a new bridge at Oklawaha on SR 25 and construction of 2 1/2 miles of road between Miami City and Conners Highway.

SMOKE FROM GLADES

(Continued from Page One)

of the Elliott ranch which was burning last week. The fire has nearly reached the Broward county line.

The fire of greatest concern according to Bender was one going down the edge of the Hillsborough canal about 14 miles south of 30 Mile Bend across L-6 levee.

Bender said every effort was being made to stop it before it advanced about eight townships of land.

"If it gets out there nothing could stop it." This situation is the worst I've ever handled in 21 years here."

Bender said some dikes were burning on ranches off of SR 80, near Conners Highway and scattered areas all over the Glades. Most are under control and are being diked constantly. "An east wind would help us," Bender said, "but without any moisture we're nearly helpless."

More Horsepower-Less Manpower Cut Faster, Easier With McCulloch's SUPER 33 PLUNGE BOW

Here's the world's most remarkable chain saw! Greater power, smoother performance, lower maintenance cost. The Super 33 cuts any saw in its price class. Weighs 22 pounds. Four sizes, with straight blade or plunge bow in 15" and 18" sizes. The Super 33 can pay for itself in a few weeks of use.

Ask for demonstration to-day at the McCulloch dealer below at no cost or obligation. Prices of McCulloch's chain saws start at \$198.75 delivered.

CLARK J. SMITH, Inc.

400 South Tamarine at Fern West Palm Beach, Florida

Joe McPine Saz:

There's no stopping or bending when you use a McCulloch Super 33 with a Plunge Bow, and you can cut through the toughest wood right down to the ground. The famous McCulloch Plunge Bow makes felling a thing of the past.

Joe also reminds you to grow more trees, prevent forest fires.

Ford goes First!

In Performance

At Daytona, Ford won the Manufacturer's Trophy for best all-around performance. And Ford's 225-h.p. engine smashed 30 world records at Kingman, Ariz. Truly, Ford goes first!

In Safety

The editors of "MotorWeek" voted Ford's Lifeguard Design "the top car advance" of 1956. It's a whole family of safety features to help protect you from injury in case of accident.

In Economy

In the Multigrade Economy Run, a Ford V-8 won over all cars in its class. It carried more weight with greater gasoline economy per pound than any competitive car... "less" as well as "right".

The way a Ford performs, the way it saves, the way it protects you, go hand-in-hand with the way it looks and lasts. Ford's look is backed by America's most exciting car, the Thunderbird. Its rugged K-bar frame and carefully placed give it the endurance and reliability traditional with Ford. These are the facts behind Ford's reputation as the car that's worth more when you buy it, worth more when you sell it, too! Come in and let us show you!

FLORIDA PRESS ASSOCIATION

NATIONAL EDITORIAL ASSOCIATION

Jud Hardy Speaks To Underwriters

Jud Hardy, field supervisor of Life of Georgia Insurance Company was guest speaker at the Apr. 19 meeting of the Everglades Life Underwriter Assn. meeting at the country club.

Hardy's address concerned the responsibilities of the life underwriter in the community as a profession. He also touched on the responsibilities of the underwriter to the client.

Over 35 underwriters attended. The appearance was in conjunction with Insurance Education Week, Apr. 15-22. Paid members of the association are Lloyd Adams, Independent Life, Dale G. Hand, Clyde W. Crosby, E. J. Carlton, C. L. Todd, G. B. Hynd, David Reeves, Conger Life, David Motes, Peninsular Life, C. A. Batchelor, U. G. Denton, H. L. Hunter, W. F. Tills, G. A. Carr and C. H. Hitchcock, Life of Georgia.

The underwriters code of ethics is as follows: Preamble:

The position of the life underwriter is unique in that he is the liaison between his client and his company. As a life insurance advisor he owes a high professional duty toward his client, while, at the same time, he also occupies a position of trust and loyalty to his company.

To hold my business in high esteem and strive to maintain its prestige.

To keep the needs of my clients always uppermost.

To respect my client's confidence and hold in trust personal information.

To employ every proper and legitimate means to persuade my clients to protect insurable obligations; but to rigidly adhere to the observance of the highest standards of business and professional conduct.

To perform accurately, honestly and completely every fact essential to my clients' decisions.

To perfect my skill and add to my knowledge through continuous thought and study.

To conduct my business on such a high plane that others emulating my example may help the standards of our vocation.

To keep myself informed with respect to insurance laws and regulations and to observe them in both letter and spirit.

To respect the prerogatives of my colleagues.

Migrant Laborers Are Signed For Northern Work This Summer

Approximately 5,000 workers controlled by 122 crew leaders will migrate north this summer after the season's end in the Glades.

These workers have been recruited here through the local Florida State Employment Service office according to Lee L. Smith, manager.

The commitments were arranged through pooled interviews held here and in Palmetto Apr. 12-13 when representatives from South Carolina, North Carolina, Virginia, Delaware, Maryland, Pennsylvania, New Jersey and New York.

The movement will take place in late May or June depending on the need for workers in this area, Smith said.

Smith said crew leaders not having specific assignments may obtain information about commitments from the FSES office, 41 SE Ave. D.

Nearly \$3500 Due Florida Workers

Sums of money ranging from \$5 to \$329 may be paid 90 Florida workers if they can be located by their former employer, according to Investigation Supervisor Clem J. Denicke of the U. S. Labor Department's Wage-Hour office here.

Total due for the State is \$3460.55, of which \$517.36 is owed to 18 employees whose last known address indicates they lived in that part of South Florida which is served by the Miami field office.

School would be dismissed and parents were urged to write the school to discuss problems with teachers and visitors are cordially invited.

Hobson Names Apr. 27 'Visitors Day' Here

Principal Frank O. Hobson announced today that next Friday, Apr. 27 would be "Visitors Day" at the elementary and high school.

School would be dismissed and parents were urged to write the school to discuss problems with teachers and visitors are cordially invited.

Buck Lee Enters WPB Horse Show Saturday

Buck Lee, Belle Glade, noted cutting horse authority and director of the show.

Find out about FLORIDA'S Fiber of the Future

RUMBLE is only one of the opportunities Florida offers visitors and residents. The growing Florida market with its exceptional transportation, ample power and abundant space, cooperation and growing market for products, is a real opportunity for the visitor to the Sunshine State. RUMBLE is a real opportunity for the visitor to the Sunshine State. RUMBLE is a real opportunity for the visitor to the Sunshine State.

READ The Sunshine State

Florida Federal Investment Association Is Announced

The organization of the Florida Federal Investment Association, with offices in the Times Building, 100 N. Federal Highway, Fort Lauderdale, was announced recently.

The firm will make construction mortgage loans to builders, buy and sell real estate, develop subdivisions, and construct buildings. It has an authorized capitalization of 100,000 shares of Class B common stock. A public offering of the shares is announced elsewhere in the Herald today.

President and director of the new company is David S. Hammond, head of the Hammond Real Estate Agency and Hammond and Company, Investment Bankers.

Hammond has been a real estate broker in Florida since 1946. During that period he has been a director of the West Palm Beach Board of Realtors, a member of the Florida Association of Realtors and the National Association of Real Estate Boards.

Other Officers

Executive vice president and director of the FFIA is James C. Dean, president of Florida Sun Life Insurance Co. and a director of the Wilton Manners National Bank. Col. Joseph M. Kennedy Driscoll is treasurer and director. Recently retired from the Army, Col. Driscoll was for many years director of Military Science and Tactics for the Boston School Department.

investment firm are: David Pershing Hammond, vice president and secretary; Doris J. Horn, assistant secretary; A. Dorough, local contractor and member of the Broward Builders' Exchange; director; Charles H. Lindfors, certified public accountant, director; and Chester E. Scott, president of Broward Mattress and Furniture Co., director.

PAR-TEE LINE

Over 600 came out to say farewell to Joe and Betty Ziemann and to partake of one of those delicious pot luck dinners last Saturday night at the Municipal Country Club. Seemed like old times with everyone talking at one time. Under all the kids was for many years the director of Military Science and Tactics for the Boston School Department.

Experience Qualifies O'Bannon

Former Pres. WPB Junior Chamber of Commerce — V.P. Palm Beach County Airport Assn. — Elected delegate from 6th Congressional Fla. Dist. to Nat'l Democratic Convention, 1948 — Elected Chm. 6th Congressional Democratic Club, 1950 — Immediate Past Pres. WPB Board of Directors — Elected "Builder of the Year" for WPB — Now serving on Advisory Comm. for Westward Expansion of City of W.P.B.
Pull Lever 20-A For Regular Term
Pull Lever 24-B For Unexpired Term

will come back to see us often. Mrs. Zelma Betzner is taking over at the club until the city can find a pro. City Manager Robinson said two had been contacted but were not interested and that it would be probably two weeks or a month before the city could get someone. So don't be up and get Zelma will be on hand to keep things going.

Joe is leaving behind some of those red hot golfers to carry on as was evidenced by Rayley Woots Sunday when she made an Eagle on No. 6, 490 yards, a par four hole. Asked how she did it she replied, "Well I had a real long tee shot, and my second shot was out of this world just short of the green and I took my eight iron and pitched it in the cup". Nothing to it. Incidentally Rip was winner last week for 18 holes, with a score of 93 and net 79 in the 54 hole medal play with handicaps. The tournament of the Ladies Golf Assn., which began last week and will continue until March 25.

Wilson of Pahokee, one of Joe's golfers is also burning up the course these days. She

cut a 95 in the Women's Gulfstream Golf matches on the Hollywood course last week, beating it over Kat Weeks, Louise McWhorter and Amy Whidden. And it's a tough course too!

AGRICULTURAL AREA

(Continued from Page One)

John River portion of the project at present.

During the past year, the major share of the \$6,590,000 appropriated Federal funds, supplemented by \$942,200 in state contribution from the State, was used to continue construction of flood-control works already underway. Such works included the following which have been completed:

Levee 10 (upper reaches of West Palm Beach Canal).
Levee 2 and 3 (west side of Everglades Agricultural Area).
Levee 14 (upper reaches of Hillsboro Canal).
Levee 15 (eastward from Levee 14 on Hillsboro Canal).
Levee 19 (in Everglades Agricultural Area on North New River Canal).

Construction was continued but not completed on the following works:

Levee 12 (West Palm Beach Canal northwest of Twenty-Mile Bend).
Pumping Station No. 2, structure (in Lake Okeechobee levee near Belle Glade).
Pumping Station No. 6, structure (on Hillsboro Canal at south edge of Everglades Agricultural Area).

Pumping Station No. 3, pumps and machinery (in Lake Okeechobee levees at Lake Harbor).
Pumping Station No. 9, structure (near east end of South New River Canal).

New construction was started but not completed on the following works:

Pumping Station No. 3, structure (in Lake Okeechobee levees at Lake Harbor).
Levee 20 (north end of North New River Canal).
Levee 25 (north end of Miami Canal).

Levee 6 (Everglades Agricultural Area perimeter levee between Hillsboro and North New River Canal).
Levee 4 (southwest edge of Everglades Agricultural Area).

Levee 28, portion (conservation area levee in NW Broward County).
Structure 22 (old Snapper Creek Canal near Miami).
Structure 3A-X and Warehouse (structure on Cross Canal).

Alteration of railroad bridge on Snake Creek Canal.
In addition, modifications were begun and completed on two railroad bridges over newly improved canals near Lake Okeechobee.

The construction schedule during the past year was formulated by the Corps of Engineers in coordination with the Flood Control District, representing local interests. Some of last year's funds were used for engineering and design for future construction on the project works, according to the engineers.

Funds received for the project to date amount to \$20,614,000 in Federal funds and \$7,481,000 in contributed funds from the Flood Control District as the State's share toward construction costs, a total of \$37,095,000.

BG Garden Clubbers Tour Fairchild

Members of the Belle Glade Garden Club motored to Miami Tuesday where they went on a tour of Fairchild Tropical Gardens. Those attending were Mrs. Irvin Zumpf, Mrs. Ivan Van Horn, Mrs. Lonnie Warren, Mrs. Bezan, Mrs. Clara Gladhill, Mrs. W. R. Hooker, Mrs.

C. J. Asper, Mrs. Victor Mulberg, Mrs. Herbert Beck, Mrs. Della Altman, Mrs. D. E. C. Hodges, Mrs. C. J. Brown and Mrs. G. H. Bawls, a guest.

The group toured the 100-acre garden in Trammets which held 15 persons. They visited the orchid house, and saw 300 variety of palms and also the museum and library, in addition to seeing the many beautiful flowers, plants and shrubs. At noon time they enjoyed a picnic luncheon.

PBC Armed Forces Week May 14-16

It's going to be a "triple" operation during Armed Forces Week in the Palm Beach County area, May 14-20, 1956. That's the week set aside for Palm Beach County citizens to recognize their local Armed Forces. On the land — on the sea — and in the air, Palm Beach County citizens will have ample time to view equipment on display during three "Open Houses" to be held on separate days during the week. During former years, all three were held on the same day which created a problem.

Citizens from throughout Palm Beach, Martin, St. Lucie and Indian River Counties including the following communities will be invited through schools, mayors, and news media to attend the three open houses: West Palm Beach, Palm Beach, Lake Worth, Lantana, Delray Beach, Riviera Beach, Palm Beach Shores, Juno Beach, Mangonia Park, Lake Clarke Shores.

Belle Glade, Pahokee, Cloud Lake, Glen Ridge, Havertill, Manalapan, South Bay, Ocean Ridge, Boynton Beach, Highland Beach, South Palm Beach, Hypoxia, Gulfview, Vero Beach, Clewiston, Lake Park, Jupiter, Stuart, and Greenacres City.

The Air Force will hold its mammoth open house at Palm Beach Air Force Base from 10 a. m. to 3 p. m. on Armed Forces Day, Saturday, May 19. This show will be of special interest to all young citizens and school children throughout Palm Beach County.

The Navy will throw open its doors in Riviera Beach on Sunday, May 20. Times have not been set, pending determina-

tion of when equipment will be available.

Date and time for the Army open house will be announced later.

Armed Forces Week will be climaxed by a huge, inter-secting parade down Clematis Street in West Palm Beach on Saturday night, May 19. Arrangements for the parade are being completed by Capt. George Stavridis (USMC) and Lt. Col. Oliver Hartwell, National Guard.

Herald Praised For Helping FSIS Office

An unprecedented number of job orders have been placed with the Florida State Employment Service office in Belle Glade. L. L. Smith, Manager, stated that this increase has been due in great part to the valuable cooperation and publicity given to the local employment office by the Belle Glade Herald.

In two instances, Smith said, "the Herald has been directly responsible for the placement of qualified and deserving applicants in good jobs."

"Presently there are a number of openings for female bookkeepers, stenographers, and packinghouse workers. An order has also been received for a packinghouse foreman with lettuce and cucumber experience."

The right applicant will be employed here until the end of the season and will then be transferred to one of the northern states for the summer season.

Florida Gains In Many Fields, Chamber States

Florida stepped forward in 1955 in strides ranging up to 18 per cent ahead of 1954. The state's annual advance for the year was firm, although some of the percentage gains have been exceeded in other years, the Florida State Chamber of Commerce stated yesterday.

Measures of the principal gains are itemized in this week's business review of the State Chamber's research and industrial division. Estimates of total retail sales show a 14 per cent gain; income up 15 per cent and population a little over 4 per cent. Non-farm employment by the end of last year

was up 6 per cent. Official reports, already in for the full year, give gross farm income greater by 10 per cent; bank debits in seven fi-

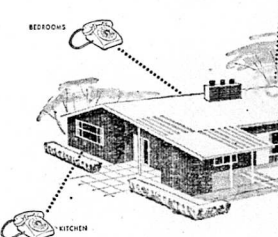

nanical centers up 18 per cent; and department store sales and sales tax collections both up 15 per cent.

Twelve per cent more gaso-

line was bought; 10 per cent more electricity was generated (through November) 17 per cent more was spent on construction throughout the state.

The Right Phones ... In The Right Places ... Right Colors ...

(8 decorator colors to choose from)

That's what a Well-Telephoned Home is made of

So Modern... So Convenient... So Economical

Picture your home with phones in rooms where you live, work, play and sleep. Phones in your choice of eight decorator colors to contrast or harmonize with room furnishings... spring coils... dials that light up in the dark.

These are some of the modern conveniences now available to make yours a well-telephoned home. The cost is surprisingly low. Your Telephone Company has some suggestions for making your phone service as modern and complete as your home. Call our Business Office now for full information.

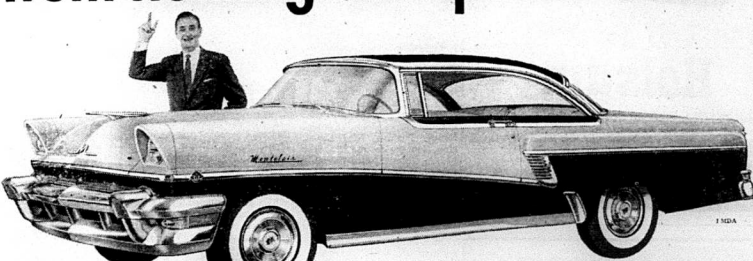

Other Conveniences for the Well-Telephoned Home: SPEAKERSPHONE—lets you talk and listen without lifting the receiver.

VOLUME CONTROL PHONE—turn it up or down like a radio.

OUTDOOR PHONES—weather proof... suitable for patio and all other outdoor locations.

Sherwood Seeks School Board Seat

Believing that the education of the youth in these United States, especially in a growing community like Palm Beach, is of utmost importance, Mrs. Louis F. Sherwood (Harriett A.), in announcing her candidacy for the Board of Public Instruction from District 2 says that as a former business woman, civil leader and mother, she is qualified to work for the progress of Palm Beach County schools.

"I believe that with all of this experience in business and leadership behind me, I will be better able to serve on the Palm Beach County Board of Public Instruction for I have worked with many people and enjoyed doing it, have met many prob-

lems and helped to solve them," says Mrs. Sherwood.

After Pearl Harbor, she was called to serve as chief of the stenographic bureau for the Production Engineering Department at Wright Field, Dayton, Ohio and was serving in this capacity when they moved to Florida.

She has been quite active in Garden Club work, serving as President of the Bougainvillea Circle and general Flower Show chairman of the West Palm Beach Federation in 1947, 1954 and 1955; served the State board Florida Federation of Garden Clubs as recording secretary for three years; treasurer for two years, and now is serving as its chairman of resolutions.

A member of the West Palm Beach Woman's Club since 1945, Mrs. Sherwood has been a member of its board for the past eight years, having served as president from 1952-54, department chairman and sponsor of the Junior Woman's Club.

She has been quite active with the teen-age groups of Y-Teens in all Junior High Schools. Palm Beach High School, Roosevelt and Carver High School and West Riviera school. She was a charter member and director of the Beta Zeta group of Beta Sigma Phi.

MIGRANT HEALTH
(Continued from Page One)

in general.

By the group toured Ocoee and Okeechobee camps, doing it, have met many prob-

site of the new health center. In South Bay, the group saw South Bay Growers Co-op before returning to Belle Glade.

After luncheon at the Edgewater restaurant, the representatives left for Pahokee, where they were greeted by James Yarn and the group. Authority, who led a tour of the camp grounds and the Pahokee health center.

At Bryant the group heard a summary of the sugar cane activity, looked at the dike and the lake then returned to West Palm Beach.

At 7 p. m. Paul Rardin, county commission chairman, welcomed the group, to the county and spoke about the county's vast resources and potentialities.

Dr. Brumbaugh said the group was seeking information about migrant health problems and some had never seen actual agricultural activities of migrant laborers.

NEGRO NEWS

Rites Held For Negro Found Dead Thursday

Funeral services for Peter L. Sherrod, 76, of Belle Glade were held Apr. 17 at Taylor Funeral Home with Rev. Lewis of West Palm Beach Holiness Church officiating.

Sherrod was found in his home at 401 SW Ave. A on Apr. 12 after he had been dead at least one day of natural causes. He was last seen on Dec. 10. Burial was in Port Mayaca cemetery.

Surviving are a son, Nehemiah of this city and one other son of New York City.

Former Negro Resident Dies At Streamline

Ludella Allen, 49 year old Negro woman, died Apr. 17 in Streamline Quarters near Pahokee. The woman had resided in Belle Glade before moving to a room there two weeks ago.

R. T. Bardin, corner, said the

death was apparently normal and not caused by violence. Her body was found in the home of Ernest McCullough sometime Tuesday afternoon.

Taylor Funeral Home has not announced funeral arrangements pending notification of the deceased woman's family in Albany, Ga.

Laborer Killed At Sand Cut Sunday

Funeral services for Haywood Duncomb, 24, a Nassau laborer, working at Sand Cut, will be held today at 2 p. m. and burial will be in Port Mayaca cemetery.

Duncomb was killed on the FEC Railway crossing Apr. 15 at 6 p. m. He was killed as he walked across the tracks. Exact nature of the accident were not known.

LAKEHORE HI NEWS

The committee on evaluation for Lakeshore School arrived Apr. 15 to hear first two reports from Miss A. V. Mills and J. A. Reddick on pupil population and the educational needs of

youth.

Following the reports selections were offered by the school glee club and band with two church choirs also participating.

On Monday the visiting committee looked in on classes then met with student and faculty leaders for discussions of school philosophy and other student interests.

Monday afternoon the visiting committee, headed by Dr. M. C. Rhamey as co-ordinator, met with local committees in the different subject areas.

Recommendations and suggestions were made at these meetings before the visiting group retired to themselves for preparation of reports.

On Tuesday class visitation continued followed by more committee reports and sessions on pupil activity, library service, guidance services, school plant system, school staff and administration.

Tuesday evening final reports were made and detailed reports were given on the above mentioned subject areas.

The Lakeshore faculty was commended and recommenda-

tions were given. The evaluation committee gave higher ratings to 90% of the criteria check than had the local evaluation groups.

Items noted for further work and study include a gymnasium, ceteriorum and folding partitions for the homemaking department, library and clinic.

Final creditation with the Southern Assn. of Secondary Schools and Colleges will not be known until early fall.

Included on the visiting committee were Frank O. Hobson, Belle Glade High School principal, B. G. Sayles, principal of Roosevelt High, West Palm Beach, Charles Williams, Book-er T. Washington High, Miami teacher.

Ant Scholarships

Hughes Chambers, 8th grader from Lakeshore, won a \$400 scholarship from Wall School of Art, Baltimore, Md., and will attend there this summer.

Richard Nowlin, art instructor, said he has done an outstanding job in art work with murals and has contributed to other subject areas of the school.

Hospital Aux. Box For Sox

The Belle Glade Memorial Hospital Auxiliary have placed box receptacles for collecting used or second hand clean nylon hose in several business places throughout the downtown section. The hose will be sent to a processing center in New York and the proceeds received will be used towards buying a much needed new incubator at the hospital.

Everyone can help on this worthwhile project by gathering up hose that cannot be used and depositing them in the boxes marked "Hospital Box For Sox" in the following stores: Crews Community Store, Glades Cleaners, Royal's Dry Goods, Duddy Dick's, Case Rate, Scudder's Dept. Store, H. C. Pence Co. 10c Store, Kahns Dept. Store and Royal's Food Store.

Rebekahs Hear Talk On Life Of Founder

Mrs. Clara Gledhill gave a very interesting talk on the life of Shuyler Colfax at the regular meeting of Belle Rebekahs Lodge Tuesday night at the Benevolent Hall.

The talk was given in commemoration of Mr. Colfax's birthday which is in April. He was an ardent Oddfellow and founder of the Rebekah Lodge.

The group decided to sponsor a rummage sale at Royal's parking lot Saturday, April 21. Announcement was also made of a kitchen shower for the hall to be held at the home of Mrs. Madeline Corbett April 30.

After dismissal refreshments were served by Mrs. Ruby Bailey and Mrs. Gene Womack.

Boy Scout Court Of Honor Monday Night

There will be a Boy Scout Troop Court of Honor Monday night, April 23, at 8 o'clock at Jameson Hall, scout leader. All scouts and their parents are urged to attend.

SCHOOL NEWS

By Frances Sloan

It was great fun but it was just one of those things. The prom having to end, I mean. Everyone at school is still talking about what a wonderful time they had, and they're all sorry it's over. But all good things must come to an end.

For those of you who don't know, the theme was "An Oriental Garden," and the song was "Love is a Many Splendored Thing."

Mr. Frank Hobson introduced the guests and Mr. Roy Litchfield gave the invocation at the banquet. The menu was as follows: Packed Kebab, Tomato Juice, Cauliflower Pie, Peas, Chicken, Chicken Pie, Peas, Cauliflower, Olive, Karote, Carrot Strips, Char Liver, Bing A La Shuit Go, Cherry Pie a la Mode, Min Bai Tui, Rolls, and Chae.

The speakers at the banquet were: Dan Jones, Louis Friedman, Lee James, Buddy Weaver, and Frances Sloan. Mr. Harris Francis, Dr. Leonard, President Palm Beach Jr. College.

Miss Carolyn Earwood sang the class song, then everyone adjourned to the new gym, where the dance was held. The band was called the "Rhythm Rogues," and they were from West Palm Beach. After a few numbers by the band, the Juniors and Seniors lined up for the Grand March, led by Senior Class President, Leo James, and Frances Sloan. I think everyone will agree that it turned out better this year than ever before, and everyone enjoyed it.

For entertainment at the prom—the girls trio, Glades

New Law Gives Farmer Gas Excise Tax Refund For On-Farm Operation

Farmers will be able to obtain a refund of the Federal excise tax on gasoline which is used on a farm for farming purposes under the law approved by President Eisenhower on April 2, 1956. The present Federal tax rate is 5 cents a gallon.

Commissioner of Internal Revenue Russell C. Harrington announced that under the new law the first refund payments will be made after June 30 with respect to gasoline purchased and used during the first six months of 1956. Thereafter, refunds will be made for a one-year period from July 1 to June 30.

No refunds of tax are allowed on gasoline used off the farm, such as gasoline used on public roads or highways in transporting family members or workmen, equipment, livestock, crops, feed, etc. Also, no refunds are allowed for tax on gasoline used in processing, packaging, freezing, or canning operations.

To get his refund, a farmer will have to file his claim after June 30 and before October 1. Claims are to be made on Form 2240 and are to be filed with the United States District Director of Internal Revenue for the farmer's district.

The form will be available after July 1 at Internal Revenue offices, county agricultural agents, and many bank and post offices.

Refunds will be limited to the Federal tax on gasoline which is used by a farmer for farming purposes, in carrying on a trade or business, or a farm located in the United States.

A farmer may also request a refund of the tax on any gasoline which is used on his farm by a custom operator or a neighbor in connection with cultivating the soil, or raising or harvesting any agricultural or horticultural commodity.

In general, the new law provides that gasoline shall be treated as used for farming purposes if it is used:

(1) By the farmer or any person in connection with cultivating the soil, or raising or harvesting any agricultural or horticultural commodity, including the raising of livestock, poultry, etc., on the farmer's own farm.

(2) By the farmer in the operation, management, conservation, improvement or maintenance of his farm or its tools or equipment.

(3) By the farmer in handling, drying, packing, grading, or storing any agricultural or horticultural commodity in its un-

manufactured state, but only if the farmer produced more than one-half of the commodity which he so treated during the period for which the claim is filed.

(4) By the farmer in connection with the planting, cultivating, caring for, or curing of trees, or the preparation (other than sawing into lumber, chips, or other millings) of trees for market, but only if the planting, etc. is incidental to his farming operations.

Farmers who expect to file claims should keep sufficient records to enable the Internal Revenue Service to verify the accuracy of the amount claimed.

Commissioner Harrington said that regulations relating to the new law will be issued as soon as possible.

Clubs To Observe Nat'l Garden Week

The Belle Glade Garden Club held the regular monthly meeting Thursday afternoon at the Municipal Clubhouse. Announcement was made that flowers would be furnished all local churches on April 22 by the three garden clubs in honor of National Garden Week. Members were asked to meet April 21 to make the arrangements.

The group voted that membership may not be held in any other local garden club during the coming year, and also to form a Junior Garden Club of interested teenagers next year.

Mrs. John Robinson's resignation as 2nd vice president and Mrs. Lonnie Warren's as treasurer were accepted. Mrs. George Farnell was elected treasurer and Mrs. Lonnie Warren 2nd vice president. Mrs. C. M. Walker was voted in as a new member.

Mrs. C. J. Aspy reported that approximately 600, including a number of school children viewed the recent flower show. "Bounty of the Glades" and thanked all who helped make it a success.

Mrs. Lonnie Warren reported that 113 children enjoyed the talk on birds by Mrs. McCrory at the March meeting of the Jr. Garden Club, also that dish gardens were made at the April 10 meeting. Plans were made for holding a small Junior Flower Show in May.

The judge chairman for the day, Mrs. H. D. Beck described briefly the points to consider in judging the contest entries. The contest on arrangement in

a teapot were won — 1st, Mrs. Herbert Beck, 2nd, Mrs. Irene Zump, 3rd, Mrs. Warren Bogatz. The snapdragon specimen contest was won by: 1st, Mrs. Ivan Van Horn; 2nd, Mrs. Herbert Beck, 3rd, Mrs. Lonnie Warren.

An interesting and vivid report of the convention of the Florida Federation of Garden Clubs, held recently in Tallahassee, was given by delegate, Mrs. Lonnie Warren. Mrs. Ivan Van Horn, immediate past director of district 10 also added further observations of the convention.

Refreshments were served by hostesses Mrs. Frank Friend, Mrs. J. F. Browne and Mrs. George Royal. Others present were Mrs. Della Altman, Mrs. C. A. Bailey, Mrs. D. C. De Haven, Mrs. J. P. Halbrook, Jr., Mrs. Richard Hodges, Mrs. W. R. Hooker, Mrs. C. W. McDonald, Mrs. Bryant McLendon, Mrs. Victor Mulberg and Mrs. Harold Riedel.

Local Chamber Of Commerce Warns Against Shady Advertising Deals

Mrs. Edwina C. Young, executive secretary of the Chamber of Commerce, warned residents of Belle Glade today to be on the alert for "bait advertising" which is being practiced throughout the country by a small minority of unscrupulous merchants.

Citing a bulletin from the National Better Business Bureau, with which the Chamber is affiliated, Mrs. Young stated:

"Bait advertising is an alluring offer to sell something which the advertiser does not sincerely want to sell, or tries not to sell or deliberately avoids selling.

"The purpose of such advertising is to get the customer into the store, or to secure a salesman's entry into a home, with the purpose of selling some other higher-priced item or items of merchandise."

Although bait advertising has been known to appear as a part

of national advertising campaigns, this occurrence has been relatively rare, and most bait advertising appears on the local level, according to Mrs. Young's statement.

She noted that certain fields of merchandising have had the misfortune to experience full-fledged plagues of such advertising, such as rebuilt or reconditioned vacuum cleaners, sawing machines, storm windows and doors, and upholstery and re-upholstery offers.

The National Better Business Bureau, however, states that bait advertising has occurred in nearly every area of merchandising, and constant vigilance on the part of the public is therefore necessary.

Mrs. Young cited the following as being typical bait advertising practices:

(1) "Knocking" or making derogatory remarks about the advertised merchandise for the purpose of swindling the prospective purchaser to another article.

(2) Making no effort to sell the advertised article and deliberately trying to sell something else instead.

(3) Using the "low pressure" technique to cause the customer to (1) unselfishly on the advertised product through truthful and non-demeaning disclosure of its limitations and (2) to switch herself to a higher priced product which will perform the usual functions of such an article.

(4) Not having the advertised merchandise available, or placing on sale a limited quantity insufficient to meet reasonable demands, with the purpose and intent of selling something else instead.

(5) Tampering with an article so that it will not demonstrate or operate properly.

(6) Selling the advertised article knowing and intending that it will not perform satisfactorily, and for the purpose of subsequently selling another article instead.

(7) Taking an order for the advertised article, not having

succeeded in selling something else instead, but then failing or refusing to deliver.

(8) Supposedly selling the advertised article and then making a deprecating comparison with a different article, with the intent and result of "unselling" the advertised article, and cancelling its supposed purchase with or without the purchase of the different article instead.

(9) Using more limited guarantees or alleged unavailability of repairs or parts in relation to the advertised article as a means to discourage its purchase.

(10) Using a sales plan or method of compensation for salesmen or penalizing salesmen designed to prevent or discourage them from selling the advertised article.

Mrs. Young observed that the most important weapon in the fight against bait advertising is a well-informed buying public. "Bait advertising can flourish only as long as the public is deceived," she stated. "When the public recognizes bait advertising, and refuses to do any

business with the firm or merchant that uses it, such advertising will then cease to exist."

"Because well established local firms have maintained their integrity over the years, member merchants of the Belle Glade Chamber of Commerce do not employ such tactics. It is only the fly-by-night operator and 'bait traps' in large cities who prey upon the uninformed," she added.

More teenagers involved in traffic mishaps this past week only points to what this column said recently about more discipline in the home. Make sure they can drive before they're

On The . . . STREET CORNER

Mr. Gehrken explained that a quarter of coverage is which the wage earner is paid \$50. Farm workers earn a quarter of coverage for each \$100 cash paid by one farmer during the calendar year.

Farmers who had net earnings of at least \$400 in 1955 and who gross \$800 or more in farm income in 1956 will qualify if they are 65 or older.

Mr. Gehrken urged all older workers to contact the social security office as soon as they meet these requirements to determine whether benefits may be paid this year. He emphasized that regular insured status rules, generally requiring longer period of work, will apply where older workers do not qualify under this special provision.

Calendar of Events Planned By Sorority

Plans for Founders Day dinner and initiation of new officers of Beta Sigma Phi were announced at the regular meeting last Thursday night at the home of Mrs. Grant Averill with Mrs. Robert Belle as co-hosts. The dinner and initiation will take place at the Edgewater April 28 at 7:30 p. m. Announcement was also made of the Preferential Tea to be given April 29 from 2:30 to 5:00 p. m. at the home of Mrs. Frank Anderson. At that time four new members will be honored, Mrs. Robert Matthews, Mrs. Nell DePamphila, Mrs. C. W. Hahn and Mrs. Ruth Burkett.

Plans for the May invitational dance at the country club

on the roads behind the wheel. Modern designers still can't get all the jerks out of the cars.

Firemen, commenting on the local "scenery" around town, will be enjoying their coffee breaks more these days, (That's a house joke.)

How's this for defiance? A semi-trailer truck parked parallel in an angle parking zone which was clearly marked "No Truck Parking - 20 Feet Away" Happened on Main St. Monday.

Some of the fish in Lake Okechobee have gone without water for so long that they may drown when it rains. If it gets worse out there, what can we do with 730 sq. mi. of mud?

Some kind of medal for civic pride ought to go to Dorothy Irvin who sought nation-wide publicity for Belle Glade by entering the "Powder Puff Derby", international ladies air race. Funds weren't available to sponsor a plane, but three cheers for her effort.

The last straw: With all the smoke in the Everglades the state Chamber of Commerce might well consider changing the name to the Great Smokes.

Okechobee Level Still Going Down

Despite a half-inch rain over Lake Okechobee on April 10th, the big lake is continuing its downward trend, according to W. Eden, Jr., Chief of the Planning and Research Branch of the Army Engineer's office in Jacksonville.

This was the first rainfall recorded around the lake since March 10. While other areas of the state received relatively heavy rains, the Okechobee region had to be content with but small beneficial amounts.

The big lake now stands at 117 feet above sea level, nearly a foot below the 8-foot project depth of the Okechobee outflow. Under an above-normal rainfall period begins the recession will continue, Eden said.

New Social Security Laws Provide Added Coverage For Workers

Many older workers will qualify for social security benefits beginning in April under new eligibility requirements which go into effect at this time, R.C. Gehrken, Jr., district manager of the West Palm Beach social security office, said today.

This is a temporary liberalization in the 1954 amendments to the social security law to benefit newly-covered workers who die or retire before they can meet regular rules for insured status," Mr. Gehrken said. Newly-covered groups include farmers, architects, public engineers, accountants, clerical, undertakers and some State and local government employees.

Workers already 65 or those who attain age 65 or die before July 1956 are fully insured if they have six quarters of coverage after April 1954. The sixth quarter began with April 1956. Mr. Gehrken explained that a quarter of coverage is which the wage earner is paid \$50. Farm workers earn a quarter of coverage for each \$100 cash paid by one farmer during the calendar year.

Farmers who had net earnings of at least \$400 in 1955 and who gross \$800 or more in farm income in 1956 will qualify if they are 65 or older.

Mr. Gehrken urged all older workers to contact the social security office as soon as they meet these requirements to determine whether benefits may be paid this year. He emphasized that regular insured status rules, generally requiring longer period of work, will apply where older workers do not qualify under this special provision.

Do-it-yourself kit for Voters

Get your name in the book . . . then vote November 6th

REGISTERED VOTERS

If you like to build things—bird-houses to real houses—this do-it-yourself kit builds even bigger.

If you like to fix things—leaky faucets to squeaky radios—this is a champion fixer-upper.

And if you like to grow things, these tools are the best ones known to make your country grow.

Nothing elaborate. This kit's complete with your name in the book of Registered Voters . . . a stub pencil

. . . a ballot. All you contribute is thought.

It's free. And easy. Takes just a few minutes to register your name alongside that of your neighbors and friends. Another few minutes—a most exciting experience—on November 6th when you vote.

You do it yourself—no one else can build and fix and grow the things for you. Your vote helps start streets and schools and community centers. It fixes up courts and city halls. It nurtures peace—and your standard of living.

A mighty rewarding hobby, for you and all your friends. Do it yourself—register and vote. See you at the polls.

YOUR JUSTICE
OF PEACE

It is going to be impossible for me to visit each of you personally and ask your support. But if you will please give me your vote and support! I will try to give you a service that will not cause you to be sorry you did.

I am not teaming with either of the Constables, but will work with either one that tries to work for the interest of the county.
